

## Leading Schoolwide Social and Emotional Learning

CASEL's in-depth, multi-session course for SEL teams that are ready to lead SEL strategic planning and implementation in a school setting.

Learning is structured around CASEL's [Guide to Schoolwide SEL](#).

Throughout the course, participants take action to assess their strengths and areas for growth, develop a shared vision and measurable SEL goals, define action steps, and explore tools they can use with their community.

### WHAT TO EXPECT

- 12-15 hours total time for learning and planning
- Practical strategies for integrating SEL systems-wide
- Guided action planning and support from the CASEL team
- Resources to facilitate inclusive community discussion about SEL
- Tools and activities to support staff learning at any experience level

### WAYS TO BRING THIS COURSE TO YOUR DISTRICT OR REGION

#### VIRTUAL PROFESSIONAL LEARNING

**LIVE VIRTUAL SERIES:** An open enrollment, four-session series facilitated by CASEL with breakout discussions and personalized attention from presenters via online discussion boards.

**ON-DEMAND COURSE:** Available any time, experience the same learning broken up into bite-sized videos, activities, and readings. Participants can move through chapters at their own pace, share ideas and ask questions of the CASEL team and other participants on discussion boards, and attend monthly drop-in conversations.

**COST: \$250 PER INDIVIDUAL OR \$200 PER PERSON FOR TEAMS OF FOUR OR MORE.**
