From *Metro Nashville Public Schools (MNPS)*

- **Navigator Overview For Schools** - A navigator is an intentional support that matches each student with an adult in their school who conducts regular one-on-one check-ins focused on building strong relationships and connecting students to needed supports. Navigators also support the personalized learning core tenet, as well as academic, SEL and transitions focused outcomes at MNPS.

- **Navigator Handbook** - The why, what, and how of being a navigator

- **Student Voice Pilot Slides** - MNPS meeting slides that outline the process to establishing a pilot program for student voice beginning with the pre-work and ending with assessment for continuous improvement.

- **Student Voice Work Timeline** - MNPS outlines their process for implementing programs and structures to increase and utilize student voice from spring of 2020 to summer of 2022.
